EXAMINER'S COMMENT

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after allowance. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, prosecution in this application has been reopened pursuant to 37 CFR 1.114. Applicant's submission filed on 17 August 2007 has been entered.

2. The drawings filed with the application are deemed acceptable by the examiner.

REASONS FOR ALLOWANCE

3. The following is an examiner's statement of reasons for allowance:

Based on applicant's arguments and Rule 1.132 declaration filed on 02 October 2006 the previously made 102(b) and (e) rejections are overcome. The acceptable terminal disclaimer has overcome the obviousness type double patenting rejecting over the copending application. The newly cited documents are not seen to teach and/or fairly suggest the instant invention. Accordingly the instant claims are allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Anthony J. Green whose telephone number is 571-272-1367. The examiner can normally be reached on Monday-Thursday 6:30-4:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Jerry Lorengo can be reached on 571-272-1233. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
